Valencia Travel Village

Mother nature once again smiled on the Komfort Cruisers with some very nice weather during our recent outing in Valencia. This RV park is one of our favorite destinations due to its proximity to many of the members and the relaxed atmosphere at the park. It was a real treat to see Shirley Smith (who we understand got high marks from her son for driving all the way from Camarillo by herself), John Slaughter for the second time in a row, the McCarthy's who "dropped in" for our Saturday morning meeting and the Bamer's who joined us for Saturday night's dinner. We also enjoyed having Jim and Annette Smith, Jeff and Vanessa Scott and Dione Demsky's granddaughter Lacey join us on Friday and Saturday evenings.

Several of us (including the writer) really enjoyed the Easter basket candy, as well as trips to a couple of the better local restaurants on Thursday and Sunday (what's a few extra pounds among friends, right?). Camping World is always a favorite destination at this outing. Can anyone remember which club member holds the record for 12 trips to Camping World during a single outing? The 50/50 drawing was won by Mike and Tina Lee.

FMCA NEWS

Jeff Newby reported that Shirley Smith will be attending the FMCA rally in Bowling Green, OH in July.

NEW BUSINESS:

Tina Lee will be out of town for the next two outings, please send your checks to Jeff Newby for the May outing at Flying Flags and the June outing in Chula Vista.

At the next outing at Flying Flags, Linda Troutman will offer instructions on how to make pillowcases, a project to benefit foster children. She will bring some sewing machines.

Some clubs have awards at each outing given to the member who does something dumb during the outing – called for example Dumb/Dumber award and the Golden Toilet award. The selected member displays the award in their coach at the next outing until the next member receives the award. The members liked this idea. Members that have any suggestions as to what the Komfort Cruiser's should call this award can contact Jeff.

OLD BUSINESS

Jeff Newby introduced a prototype Komfort Cruisers banner to replace the flags. Gary made a motion to purchase the banners and they should be available at the next outing. The motion was approved unanimously. The wagon master will display the Komfort Cruiser's large banner on their coach at their outing.

T-shirts are going to be available soon. The members had some questions: can they be different colors, fitted for women, have a choice of long and short sleeves, are the sleeves going to be "poofy" or straight, no collar, V-neck?

ADJOURNED:

A motion was made by Gary Saar and the meeting adjourned at 10:50 a.m.

Respectfully submitted,

Dawn Ibarra, Secretary
