

What's Kruisin'

The Komfort Kruisers Newsletter

The Komfort Kruiser's "no host" campout officially began on Feb 7th but some really early birds arrived on Wednesday and Thursday and the late stayers going home on Monday and Tuesday. There were 19 coaches and 36 attendees. The "no bossy" facilitators were Trish and Jeff Newby & Cindy & Dan Sunderland who kept everything moving along smoothly and a fine job they did. The weather was close to perfect for most of the weekend. Comfortable days and cooler nights. Friday began with happy hour followed by Hors d' oeuvres. We had a small meeting room in the clubhouse which was perfect for our size group. The spread was excellent with the ladies doing their usual outstanding job of providing us with a plethora of delicious food. Jeff welcomed first time guests Bob sheets and Barbara Katzman. Saturday morning we were treated to coffee, etc. and "cheap donuts" in the clubhouse. After breakfast was the regular meeting and second time guests Jerry & Nancy Lovelady were voted into the club. After the meeting there was time to relax or enjoy the amenities available at the park.

At 5pm on Saturday there was the usual happy hour in case you needed to get happier. Dinner was barbeque your own meat and potluck. Jeff told some jokes however, the history lecture and strip poker were cancelled do to a lack of participants. The 50/50 drawing was won by our newest members Jerry & Nancy Lovelady.

Sunday there was coffee and left over "cheap donuts" and some etc. stuff which was leftover from Saturday.

It was a great weekend with the Newby's and Sunderland's doing a yeoman's job as usual. Thanks to them for all their hard work.

Sunday the late stayers enjoyed dinner at Marie Calendars.

Good news from Jerry Keller, he is on the mend. Our continued prayers for Bobby Donald as he continues to fight the good fight.
