

What's Kruisin'

The Komfort Kruisers Newsletter

Once again the The Wagon Masters began our "Party in the Park" Cinco de Mayo @Valencia" campout arriving Tuesday to be sure everything was in order for the arrival of 23 rigs. Teresa and John O'Leary and Shirley and Bobby Donald and Penny Williams did a yeoman's job as Wagon Masters assigning the spaces which again was not an easy task. The wind blew in the rest of the 23 rigs on Thursday and Friday. We got a break from the winds by Friday but when the wind didn't blow the bugs were attacking. More on that subject later

WAGON MASTERS

Thursday night a group of Komfort Kruisers went to the local Claim Jumper and a few went to the Red Lobster. Both places pleased all as there were no complaints from anyone.

Friday began with coffee and goodies and at the wagon masters site. The remainder of the group arrived on Friday. Jim Southwell arrived to take a few of the members to Placerita Canyon Nature Center to explore the history of early California and three ecosystem. Thank you Jim for taking the time to host this very interesting tour. After happy hour we were treated to a spectacular display of hors d'oeuvres for our dinner. Everything was delicious and the food disappeared before our eyes. (Recipe for the Bacon & Cheese Cups on page 2). After the sun set we enjoyed a campfire.

BREAKFAST

Saturday began with a coffee and goodies breakfast at the Wagon Masters site. The KK business meeting followed breakfast. Mike and Sharon Cress were voted into the club as our newest members. Welcome Sharon and Mike Cress.

POT LUCK

As usual we were up to our old tricks imbibing on Margaritas and Lemonade and munching on a varsity of chips, dips and popcorn. Once we all regained our balance a Mexican theme pot luck dinner, prepared by the members, was brought out. As you can see there was little left for any doggie bags.

Bobby and Shirley Donald were the 50-50 winners. After dinner we all settled down to enjoy a beautiful camp fire.

Shortly after that Penny Williams became concerned regarding bug bites she had gotten and wanted to go to Kaiser Urgent care. Luckily Jim and I knew exactly where it was and skidded into the parking lot with 5 minutes to spare before they closed. Everything turned out okay and armed with a couple of prescriptions we returned Penny to her rig with peace of mind nothing was seriously and she would recover in a couple of days.

50-50 WINNERS

Penny Williams reminded everyone that she is going to the Albuquerque Balloon Festival again this year. You can go with her group for the cost of \$240 for 11 days.

Paul Lonquist reported on his problem of the month, his batteries. He reminded everyone to check the water level of their batteries, especially when the coach is plugged into shore power.

Kathe Riha shared information about AWAY Bug Repellent available from rvspacesavers.com. The yellow insect repellent bracelet she was wearing is called "The Mosquito Eliminator", and is available on Amazon. Both products are DEET free.
